WORLD EVANGELISM MISSIONS

Wayne Barrier

Our effort over the past 36 years has been to help with obedience of the command of Jesus (Matthew 28:18-20) to reach the untaught of the world with the gospel of Christ. The world's population is now 7.53 billion precious souls. Every person is important, made in the image of God, and destined to an eternal existence in either Heaven or Hell. The task to reach and teach everyone with the message of salvation in Jesus Christ was given to us – the saved of the Lord's church. Over fifty million people die every year that have never been taught the truth. We have much to do.

Our work focuses on populations where masses live that have never been taught. We use radio, television, and literature as mass evangelism tools to reach as many as possible. Mass teaching efforts are followed by personal teaching through our campaigns, gospel meetings, and Bible school programs. Each year hundreds of thousands study by correspondence programs and over three thousand a year are baptized in our follow-up efforts. We train about 600 teachers and preachers each year in our 12 Bible Colleges and schools. Our work focuses on Myanmar, India, China, Philippines, Vietnam, and surrounding countries in Southeast Asia. Limited mass media and follow-up programs reach parts of Africa, the Middle East and South America.

Our oldest and largest effort is in India, where we partner with several local evangelists to help carry out our programs. Vinay David is a key partner in North India. Our newest efforts are in Vietnam, China, and Myanmar. These countries are among the more difficult to reach. These programs are expanding rapidly and represent the greatest opportunity to reach masses of people who have been out of reach for decades.

Pray for our work in these areas, our team of about 30 foreign brethren, our U.S. co-workers, and our U.S. supporting congregations. We hear from you often and appreciate your faithful support. Thank you for your generous support, encouragement, and prayers.
